

# 2016 COMMUNITY HEALTH ASSESSMENT

WILLIAMSON COUNTY, TEXAS

#3 HEALTH PRIORITY OUT OF 10

## AWARENESS OF HEALTHCARE RESOURCES

Available information and communication channels for resources

### AUNT BERTHA

## WHAT IS AWARENESS OF HEALTHCARE RESOURCES?

A key need in the community is to increase awareness of what healthcare resources and services are available in the county especially among disadvantaged or low-income individuals.

The health district in collaboration with healthcare providers and organizations provide various services to increase awareness of resources in the county.

## FIND RESOURCES IN YOUR ZIP CODE AND REFER OTHERS TO RESOURCES
