Impact of social services referrals in the ED

We need to know more about whether or not people were actually getting connected to programs...

1. Build ability to connect directly to a program through our site

1. Build ability to connect directly to a program through our site
2. Ask whether or not a seeker was able to access a needed resource

1. Build ability to connect directly to a program through our site
2. Ask whether or not a seeker was able to access a needed resource
3. Collect and organize data to better understand the full user experience

A photograph of the Williamson County Courthouse, a grand neoclassical building with a prominent portico supported by four columns. The pediment above the columns is inscribed with "WILLIAMSON COUNTY". The building is surrounded by trees, some with autumn foliage, and a clear blue sky. The text "Williamson County" is overlaid in white on the center of the image.
